SOUNDS LIKE A DIME NOVEL.

A Boy Operator, Twenty Miles from Butte, Too Sharp and Plucky for Masked Mounted Men.

Butte, Mont, October 17.—Two masked mounted men today rode up to the little station at Welch's Spur, twenty miles east of this city, on the Northern Pacific, and covering the operator with their revolvers, drove him inside his office and locked him in. They turned the signal light so as to stop the

north coast limited, which was due in half hour. The operator, F. K. Law, a boy of 20, threatened with death if he moved, crawled on his knees to his telegraph key, and reaching from under the table, wired the operator at Homestake to tell the engineer of the north coast not to stop, as the bandits meant to hold up the train at Welch's Spur. The train went through the latter place at forty miles an hour, and the bandits then rode off. A posse took the trail at daylight.

Mt. Tabor, Newberry County, S. C.

The Holy Communion was administered to large congregation at Mt. Tabor church on the second Sunday in October by the pastor, Rev. W. A. Lutz, with preparatory service on Saturday afternoon preceding. Accessions—one by confirmation. The pastor has a large catechetical class—numbers about sixty. The work in the congregation is very encouraging and the Sunday School is well attended. The Children's Missionary Society is doing a good work, and has contributed \$8.25 during this synodical year. The Woman's Home and Foreign Missionary Society held a delightful public meeting

on the fourth Sunday in September and rendered a fine program, consisting of excellent recitation and reading and appropriate music, together with an interesting address by Mr. T. B. Epling, theological student. This society has raised \$28.40 this year by free will offerings. This result speaks well for their first year's work.—C. A. E., in Lutheran Visitor.

If troubled with a weak digestion try Chamberlain's Stomach and Liver Tablets. They will do you good. For sale by W. E. Pelham & Son, Newberry, S. C., and Prosperity Drug Co. Prosperity, S. C.

The Johnston News got out an illustrated write up of that thriving town. It was a creditable piece of work on the part of our cotemporary.

Advertising costs money, to be sure, but it costs a great deal more money to do without it.—Anderson Mail.

Very true, and yet there are some merchants trying to do business without advertising. It is costing them very dearly, and yet they are unable to see it. If there be any such in Newberry we give them this hint. That should be sufficient.
